PyCIFRW COPYRIGHT AND LICENSING STATEMENT

1.This Software copyright © Australian Synchrotron Research Program Inc, ("ASRP").

2.Subject to ensuring that this copyright notice and licence terms appear on all copies and all modified versions, of PyCIFRW computer code ("this Software"), a royalty-free non-exclusive licence is hereby given (i) to use, copy and modify this Software including the use of reasonable portions of it in other software and (ii) to publish, bundle and otherwise re-distribute this Software or modified versions of this Software to third parties, provided that this copyright notice and terms are clearly shown as applying to all parts of software derived from this Software on each occasion it is published, bundled or re-distributed. You are encouraged to communicate useful modifications to ASRP for inclusion for future versions.

3.No part of this Software may be sold as a standalone package.

4.If any part of this Software is bundled with Software that is sold, a free copy of the relevant version of this Software must be made available through the same distribution channel (be that web server, tape, CD or otherwise).

5.It is a term of exercise of any of the above royalty free licence rights that ASRP gives no warranty, undertaking or representation whatsoever whether express or implied by statute, common law, custom or otherwise, in respect of this Software or any part of it. Without limiting the generality of the preceding sentence, ASRP will not be liable for any injury, loss or damage (including consequential loss or damage) or other loss, loss of profits, costs, charges or expenses however caused which may be suffered, incurred or arise directly or indirectly in respect of this Software.

6. This software is not licensed for use in medical applications.
